City Council Briefing on LAX Modernization

To take place

2:00 pm – 4:00 pm

March 22, 2013

John Ferraro Council Chamber, Room 340

Los Angeles City Hall

Featuring

Los Angeles City Councilmember Bill Rosendahl

Los Angeles City Councilmember-Elect Mike Bonin

LAWA Board of Airports Commissioner Val Valesco

Dr. Arnold Barnett, MIT

Chair of the LAX North Runway Safety Study Academic Panel

“Modernizing LAX is important for the entire City’s future. The City Council must choose an option that will increase safety, operational efficiency, protect the environment, and improves traffic & air quality. I ask that you please attend this very important briefing with our panel of experts.”

- Bill
